It's Just Good Business and It Can Bring You More Business

It will be faster and easier for out-of-town customers to call you when you display your Area Code with your phone number on stationery and other printed matter.

You can save time, too, by using the Area Code on all of your long distance calls.

Yellow Pages

WHO USES THE YELLOW PAGES? JUST ABOUT EVERYONE.

4 OUT OF 5 ADULTS USE THE YELLOW PAGES... to locate a product or service. That's 112 million people or over 80% of the adult* population.

AND THEY USE THE YELLOW PAGES FREQUENTLY... over a 12 month period, Yellow Pages users averaged almost 34 references each, or more than 3.9 billion references.

AND 9 OUT OF 10 TIMES THE YELLOW PAGES GET ACTION...84% of all references were followed up by a visit, a phone call, or a letter.

THE YELLOW PAGES BUILD BUSINESS SALES... 38% of the Yellow Pages references were for business use.

THE YELLOW PAGES BUILD CONSUMER SALES... 62% of all references were for personal use.

PEOPLE WHO KNOW YOU PREFER TO FIND YOU IN THE YELLOW PAGES... 43% of the references were to the Yellow Pages instead of the white pages even though the name was known.

BUT HALF THE PEOPLE WHO USE THE YELLOW PAGES ARE LOOKING FOR ANYONE... 51% of the references were made without the name in mind.

SO MAKE YOURSELF EASY TO FIND

*Based on an independent survey conducted by Chilton Research Services

PEOPLE WILL FIND YOU FAST, AND OFTEN IN THE YELLOW PAGES.

FOR A SUCCESSFUL YELLOW PAGES ADVERTISING PROGRAM JUST FOLLOW THESE 7 SIMPLE STEPS.

1. Tell the people what you will do for them. How you're different.

2. Be under the proper headings so people can find you fast. Should you be under more than one heading?

3. Use your logotype to gain recognition. Give facts about your qualifications.

4. Tell people about your special services . . . repairs, rentals.

5. List the products you carry.

6. Tell how easy it is to deal with you . . . credit, parking, hours, delivery.

7. Give telephone number and address, and if you're hard to locate, give directions.

Yellow Pages

Yellow Pages Advertising Value:

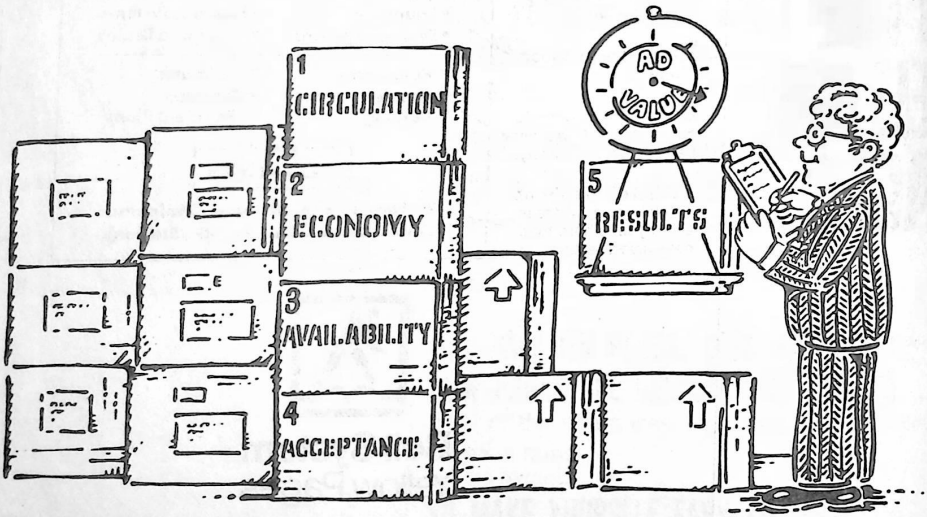
Circulation. Almost everyone either receives a Yellow Pages directory, or has access to one.

Economy. Your cost per potential buyer is only pennies a day with a Yellow Pages ad program.

Availability. The Yellow Pages are where your buyers are. At home, at work, or at play. Twenty-four hours a day.

Acceptance. Four out of five adults use the Yellow Pages an average of 34 times a year to find the products and services they need.

Results. 84.6% of the references to the Yellow Pages result in action...a phone call, a letter or a visit.



Two types of buyers use the Yellow Pages:

Buyers looking for any firm that sells what they need.

Buyers looking for any firm include:

- Newcomers & visitors.
- Emergency buyers.
- Buyers who've become dissatisfied with a competitor.
- Buyers looking for infrequently purchased items.
- Comparison shoppers.

Buyers looking for a specific firm.

More specifically, they may be looking for your firm because:

- You were recommended.
- Your advertising appealed to them.
- Your sales people have called on them
- They passed by your location and remembered you.
- They are former customers.
